Volume 3, Issue 3

WOW! What an incredible few months we have had. God's blessings continue to pour down upon Hope Rising!

God promises that if we will concentrate on blessing others, He'll take care of our needs. And boy – is this true! Just recently, through your faithful giving, Hope Rising was able to purchase a 15 passenger van and have it shipped to Haiti. This van ensures that our teams can now ride safely and comfortably to and from the airport and also while out evangelizing and ministering to the community. This purchase would not be possible without your generous support. A special shout out to Hug Chevrolet Buick GMC in assisting us with this purchase and G & H Transport for getting the van to the port in Miami! Thank you! Thank you! Thank you!

And if that's not enough...we have just recently completed the construction of the first Children's Pod AND it is now being occupied by 19 very happy, excited kids! The construction of our second Pod has already begun! So – if you didn't get in on helping with the first one – it is not too late! Each Pod costs approximately \$40,000 to construct and houses 12 children in a home-style setting. Please be in prayer about how you can give towards this project and be a blessing to those closest to Jesus' heart - the impoverished and oppressed.

The more we bless other people and the more we help others, the more God blesses our lives. Luke 6:38 tells us, "Give away your life; you'll find life given back, but not merely given back — given back with bonus and blessing" (MSG). We cannot out-give God! Amen!

Through your gracious support and giving, we can joyfully proclaim - We are blessed to be a blessing! Once again, thank you for your continued support and prayers.

I cannot wait to see what God does in the next few months! He never ceases to amaze me! God is so good!

*Blessings,
Allison Davis*

Welcome Alaina!

This summer, Alaina Tuberville has joined Hope Rising Children's Home as an intern. She is so excited to be back in Haiti... where she says devastation and poverty meet restoration and hope. She has been praying for the Holy Spirit to be powerful, present and working in the lives of the people of Haiti. We are thrilled that she is willing and able to serve with HRCH.

Give your stuff to be a voice for the voiceless...

"Sell your possessions and give to the poor..." Luke 12:33

Did you know almost 90% of our wealth is in STUFF we own? We use over 78 square miles for extra storage and spend 22 billion dollars storing it—that's enough to fill Manhattan 3x over! Make a BIG impact and FREE yourself from material goods you no longer use or want and put it to eternal use. Cars, smart phones, ipads, stock, real estate and more...

100% of your donation, after liquidation, goes directly to fuel Hope Rising initiatives that grow and guide orphan care; as well as sharing the gospel with the children and families of Haiti. Contact Allison Davis for more information at 479-965-6163 or email allison.davis@hrch.org.
