

Hope Rising Sponsors and Prayer Partners,

Over the past several months, there has been much political instability within the country of Haiti. In fact, there are travel advisories currently in effect due to the potential for riots and crime. For this reason, many of our teams have been unable to come and serve at Hope Rising.

As you know, Hope Rising employs more than 25 Haitians who provide for their families and we must pay salaries even when we are not hosting teams. We also have everyday operating costs like diesel, food, internet, grounds keeping, security and more. The reality is that with no teams bringing in revenue, we will be extremely short on funds.

Would you please pray about the possibility of blessing Hope Rising with a financial gift? Any size donation would be helpful and appreciated. Above all, please pray for peace in Haiti and an end to the political situation. Pray for us as we continue to minister in a country that desperately needs to know Jesus in order for their problems to cease.

Blessings,

HRCH Board & Missionary Staff

Reaching the Community through the Church.

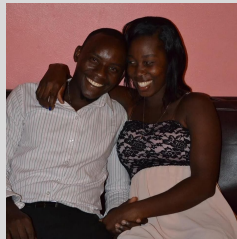

Exciting news... we have added a Sunday School meeting room onto the Church building!

Our church is not just a place for community worship, it is also a place for fellowship, discipleship, and creating community bonds.

Recently, the church held its 2nd annual Valentine Banquet for couples. It was a sweet time of fellowship. Please continue to pray for God to strengthen these marriages!

In addition, the church soccer league recently played another church in which a team member accepted Christ when the gospel was presented. Praise the Lord!
