

Saying Goodbye to the Hudsons

A few weeks ago we said goodbye to this sweet couple. God has certainly blessed Hope Rising these past few years with the Hudsons. They became parents, grandparents, and friends to so many while they were here and to say they will be missed is such an understatement! Please join us in thanking them for loving well in Haiti and pray for their transition back to a place they no longer called home. We love you Joyce and Dean!

“When we moved to Hope Rising Children’s Home we thought we would be there for years. That was not God’s plan. He has called us back to the states. We don’t know what our ministry is yet but we’re sure He will lead us. We loved the people we worked with, Matt and Cara, Ben and Andi, those that work at the school, the children and the employees of Hope Rising. We were so blessed to be part of this ministry. It will always be in our hearts. In many ways it was harder to leave Haiti than to move there. We have supported Hope Rising in the past and we will continue to support them because we believe in the ministry.”

*All our love,
Dean and Joyce Hudson*

Our container has arrived! We are still needing help to cover the cost of shipping. If you’d like to help with this, you can go to hrch.org to donate.

We are also still in need of a few items for school and the children’s home. Please consider purchasing off our [AMAZON WISH LIST](#) and it will now be delivered directly to Haiti! Thank you for all of your financial support. It’s truly making a difference in our Haitian community.

Polo Classic a Success!

Thank you isn’t enough to say to those who organized, donated to and volunteered at the Little Rock Polo Classic benefiting Hope Rising Children’s Home. The weather in Arkansas was very Haiti-like, but over 100 people came out to enjoy a polo match, purchase merchandise and bid on silent auction items. As one donor said, “It’s for the kids!” To God be the glory!

This polo jersey signed by several professional polo players was just one of many donations auctioned off to benefit Hope Rising.

School's out for the summer!!

It doesn't seem possible, but Hope Rising Children's Academy just finished their 3rd year. Our enrollment has grown every year and thanks to school sponsors these children are receiving a solid, Christian based education. They also receive 2 meals a day and extra tutoring when needed. We have a wonderful staff, but are needing a couple of teachers for the new school year. If you are interested in investing in the lives of these precious children, please contact Andi Lunsford at andi.lunsford@hrch.org for more information.

Congratulations to our 2019 Kindergarten graduates. We had eleven kindergarten students graduate. It was such a special time for them, their families and the school staff. We look forward to having them back next year.

Monthly Sponsorship Update: Due to the unrest in Haiti for the past several months most of our teams have had to cancel for safety reasons. This has impacted our finances, since the teams bring in revenue for HRCH. We reached out to you for monthly sponsorships a few months ago and you responded. This is an update on where we stand for our goal. We have a ways to go, but we know God is in control! We ask that you keep the country in your prayers; specifically, that the volatile situation will subside.
